

Application for membership of Canberra Indian Myna Action Group Inc

Canberra Indian Myna Action Group Inc

The Canberra Indian Myna Action Group Inc has the aim of protecting native birds from the threat posed by the Indian Myna (or Common Myna), through a strategy that involves:

- raising public awareness that this bird is a serious environmental threat, not just a nuisance;
- informing the public on how to limit the Mynas' spread by reducing its feeding, nesting and roosting opportunities; and
- a humane reduction program.
